DAVID BOWIE TRIBUTE

About the Band:

Aladdin Insane is a powerful and authentic tribute band dedicated to the music and legacy of David Bowie. Fronted by the captivating **Ambra Mattioli**, known for her stunning vocal resemblance to the White Duke himself, the band delivers electrifying performances that honor Bowie's iconic persona. With an ability to cover everything, from Bowie's greatest hits to rare gems and acoustic storytelling sets, Aladdin Insane—the only band in the world to perform David Bowie's entire "Blackstar" album live—is a must-see act for any Bowie fan.

Ambra's versatility as a singer and artist is widely recognized, having appeared on the Italian edition of *The Voice*, where her performances of "Heroes" and "Space Oddity" received great acclaim. Her connection to Bowie's world runs deep, with mentions in Dave Thompson's *The Freakiest Show* and appearances in various films including Andrea Pallaoro's *Hannah* and the short films *Burning Tape* and *Heroes*.
